

## STATEMENT OF PERSONAL CONDUCT

In recent years, concerns about professional misconduct and malpractice have become widespread. Instances in which professionals from a variety of disciplines have been found to have abused their power and/or their privileges have prompted a careful review of the backgrounds of leaders. It is therefore necessary that persons who hold professional leadership roles in ministry be asked about their personal conduct. The information requested in this statement is necessary to help insure the protection of institutions and individuals for whom church professionals may be responsible in their work.
